Wedding at the Castle

Everyone loves a wedding, a romantic wedding, a winter white romantic wedding! The perfect description of Rachel and Mark's special day. With Christmas as their theme, lighted Christmas trees lining the aisle and their friends playing and singing the most beautiful rendition of the Christmas Song, the couple exchanged vows in our Waverly Castle Banquet Room. Rachel's Dad, Bob is our Human Resources Coordinator and his wife Justine were very proud parents and marvelous hosts.

And speaking of a white winter..... A beautiful snow blanketed the Castle on one beautiful January Day and although it was not a White Christmas, the staff gathered together once again to ring in the holidays and a new year!!!

Scrapbookers make memories at the Castle

Making the most of memories...something we know all too well here...but capturing them and then organizing and presenting them in a beautifully decorated scrapbook, well that is art. Every weekend this spring, the hotel and our Waverly Meeting Room was full of the most patient and creative women doing just that. Of course, it can also be thirsty work and we caught a few "Scrapbookers" out at Coconuts warming up the bar for us!

Cheerleaders

Another great group that is fun to host are our cheerleaders. They were here in February and again in April. This enthusiastic collection of young women are most impressive. The hard work, dedication and camaraderie is evident and inspiring in ones so young. We were host to one of the winning teams—The Wildcat All-stars. Congratulations girls...congratulations to all!
